Statement of Principles

THE ALABAMA DEMOCRATIC PARTY HOLDS TO THESE PRINCIPLES:

That government functions best when it is closest to the people.

That Democrats are determined to provide economic opportunity for all Alabamians. It is our purpose to take maximum advantage of the bountiful natural resources with which we are blessed. We work for the day when no young Alabamian must go beyond the confines of our State to find opportunity. We are committed to the creation of a climate which will foster a greater growth of industry and agriculture.

That a quality system of public education is the cornerstone of all our attainments and the foundation of our hopes for the future; that we must relentlessly strive to attain such a system so that every child is afforded full opportunity to realize his or her God-given potential.

That in recognition of our dependence on modern links of transportation, the Democratic Party seeks not only major expressways, but also airways, railways, waterways, and local roadways extending to even our most remote areas. We are determined to develop transportation facilities that are second to none and we acknowledge that we must bear a significant financial responsibility in this undertaking.

That the Democratic Party is committed to clean air and water. We recognize that the complex problems of our era necessitate governmental action, control of which must be in the hands of the people and not those whose regulation has become unavoidable.

That the Democratic Party holds it to be a significant public trust to provide for the needs of Alabama’s people in the fields of public health, both physical and mental. We must give a helping hand to every Alabamian who can be rehabilitated and restored to self-sustaining citizenship, and such services must be administered with compassion and competence.

That the distribution of our state’s tax burden should be without discrimination either for or against any region. Those who benefit most from our free enterprise system should bear a proportionate cost of its maintenance. We condemn all schemes of taxation which shift a disproportionate burden of government onto to the shoulders of those who are least able to pay.
That the Democratic Party recognizes the importance of full and free collective bargaining in a free society.

That the people are entitled to honest and ethical government; that it is demanded of all public servants that they make complete, current, public disclosure of all potential conflicts of interest; that in carrying out their public trusts they serve no master save only the people; and that they fairly make and administer the laws without fear or favor. It is the duty of all public servants to relentlessly support and enforce the highest ethical standards without any regard to political exigencies of affiliations.

That the preservation and protection of our natural resources is a sacred obligation to unborn generations of Alabamians; that the development of our parks, recreational facilities, historical sites and wildlife is among the highest duties of our state.

That it is the duty of our State government to provide imaginative leadership and to strengthen the capacities of our free enterprise system in meeting the challenge of providing decent housing for all Alabama citizens.

That a fundamental duty of public service is to provide an honest dollar’s worth of service for every public dollar spent. The continuing and pressing needs of our State make discharge of this high duty even more compelling.

That it is the inalienable right of every Alabamian to face the future with dignity and without fear. We must assist the sick, poor, the aged and others in need with compassion and with realistic awareness of today’s needs.

That the government is of laws and not of men and women. We condemn any resolution of men’s and women's conflicts save through the legal processes. The Democratic Party stands for law and order and for a total and increasing war against crime, for the strengthening of our law enforcement agencies, and for justice under the law.

That every citizen no matter what her or his religion or race or how humble or exalted her or his origin or station owes the duty to participate fully at every level of government and is entitled to an equal voice and to equal treatment at its hand; that all Democrats are bound to defend, protect and honor our Nation, our state, and our Party, that when they are right, it is our privilege to sustain them, that when they err, it is our duty to correct them.

That as Democrats, we are proud and upright citizens of the United States; that we are determined not only to serve here, but also to stand shoulder to shoulder with citizens of our sister states in giving meaningful, responsible and constructive leadership such as befits a great Nation.

Affirmative Action Goals or AA Goals: Numerical goals determined from time to time for Diversity Constituencies pursuant to the AA Plan set forth in Appendix A to the AA Plan, such target goals not to be considered quotas.

Affirmative Action Outreach: Implementation of the AA outreach program in the applicable AA Plan to inform Democrats, and those who wish to participate with Democrats, with particular focus on Diversity Constituencies. Outreach is a proactive effort to disseminate information on how to participate in the processes, activities and programs and activities of the Party, including dates, agendas, and timelines. Affirmative Action Outreach shall be a duty of every Party Committees and the officers or leaders thereof. Sometimes referred to as “Diversity Outreach.”

AA Plan: The Affirmative Action Plan and Outreach Program of the SDEC.

All Party Affairs: Sometimes “Party Affairs.” Activities of any Party Committee commencing at the lowest level and continuing up to and including the State Committee. Such activities include, but are not limited to, (A) the processes by which delegates are nominated to a Democratic National Convention or other Party conventions, (B) the process by which Party officials are nominated, designated, appointed, or elected, or by which candidates for public office are nominated or to be officially supported by the Party, (C) the process by which Party policy, positions, platforms, or rules are formulated or adopted, and (D) where programs such as voter registration, public education and public relations are to be discussed or adopted.

At-Large Member(s): Individuals nominated by a Diversity Caucus to stand for election by the SDEC to the SDEC and the Executive Board. Also applicable to District, County, and Municipal Parties as herein detailed.

Declaration of Candidacy (sometimes “Qualifying Form”): To be filed by individuals who wish to be nominated and/or elected as (A) an officer of the State Committee, (B) Diversity Constituency At-Large Member to the State Committee or Executive Board (C) to fill any vacancy on the SDEC. The form will be on the website of the SDEC and can be downloaded to be filed with the SDEC in a manner and at a time disclosed on such form.

Democratic Electorate: Composed of those in any applicable geographic or political jurisdiction who voted for the Democratic nominee for president in the immediately preceding General Election.
**Diversity Caucus(es):** The existing (A) Minority Caucus and, in addition, the six (6) caucuses organized and operated in the same manner as the Minority Caucus to address the Full Participation goals of the DNC and the Affirmative Action Plan. Specifically, these are the (B) Youth Caucus, (C) Hispanic Caucus, (D) LGBTQ+ Caucus, (E) Asian/ Pacific Islander Caucus, (F) Native American Caucus and (G) Disabled Persons Caucus. Unless expressly stated otherwise, reference to a “Diversity Caucus” or “Diversity Caucus in these Bylaws shall include the Minority Caucus, unless otherwise indicated.

**Diversity Constituencies:** (A) African Americans/Blacks, (B) Asian American & Pacific Islanders, (C) Hispanics, (E) LGBTQ + individuals, (F) Native Americans, (G) Youth and (H) Disable Persons, collectively “Targeted Constituencies” or “Diversity Groups.” Any single group may be referred to as a “Diversity Constituency.”

**Diversity Goals:** For the SDEC, the percentage, set forth in the AA Plan of each Diversity Constituency which is not less than the higher of (A) the percentage the specific Diversity Constituency was of the vote for the Democratic presidential nominee in the most recent general election or (B) the percentage that such specific Diversity Constituency is of the State’s population as reflected in the most recent data (e.g., American Community Survey) published by the U.S. Census Bureau (said percentages sometimes referred to herein as “the two percentages.”). The higher of the two (2) percentages for a particular Diversity Constituency is to be applied to the 210 base membership of the State Committee to determine the number of members of that Diversity Group that should be included in the SDEC. If the number produced by the percentage applied to the 210 is greater than the number of Diversity Constituency among the members elected from the legislative districts, then the difference between the two (2) numbers is the target number of At-Large to be nominated and elected to the State Committee for that Diversity Constituency. The same methodology and calculations are to be applied to the 25 base membership Executive Board, as well as to District, County and Municipal Committees.

**DNC:** Democratic National Committee.

**DNC’s Order or Order of DNC:** The order of the DNC, dated February 17, 2019, requiring the State Committee to amend the SDEC’s Bylaws and hold new elections for Chair and First Vice-Chair, based on the Resolution of the Credentials Committee, February 14, 2019, which was based on the Report of the Credentials Committee to the Democratic National Committee, February 14, 2019.

**Equal Division:** The membership of every Party committee and Diversity Caucuses’ nominees for membership on the SDEC or Executive Board shall be equally divided between men and women (determined by gender self-identification), meaning that the variance between men and women in a Party committee cannot exceed one (1). Gender non-binary individuals shall not be counted as either male or female, but the remaining membership of each Party committee shall be equally divided.
**Expert Advice**: Third Party computation or confirmation of computations of the appropriate Diversity Goals. These Diversity Goals shall be provided by or confirmed by quantitative research from the DNC.

**Gender Non-binary Candidates Elected to State Committee**: As with female and male candidates who are listed separately on primary ballots for election to the State Committee, self-identified non-binary candidates also are to be listed together on the primary ballot. If a gender non-binary candidate receives the most votes, they will be elected to the State Committee and the second position will go to the male or female candidate who received the next highest vote. If a gender non-binary candidate receives fewer votes than the female but more votes than the male, then the female and the gender non-binary candidates are elected to the State Committee. If the gender non-binary candidate has fewer votes than the male candidate but more votes than the female candidate, the male candidate and the gender nonbinary candidate are elected to the State Committee.

**Minority Caucus**: The Diversity Caucus of the SDEC existing prior to and continuing after the formation of the six (6) additional Diversity Caucuses. The Minority Caucus is composed of Black/African American members of the State Committee elected from the legislative districts (“Popularly Elected Members”) and those Diversity At-Large Members nominated by such Caucus and elected by the State Committee. The Minority Caucus At-Large Members selected in August 2018 Organizational meeting shall continue to serve until their current terms expire, notwithstanding the requirement of these Bylaws that all “At Large” members must be elected by the State Committee.

Article III.
Party Organization

Section 1. State Committee

It is the policy of the SDEC that full participation is to be achieved in the membership of the State Committee, Executive Board and other Party committees by ensuring that the number of members of each Diversity Constituency among the membership of each of those bodies is at least equal to the Diversity Goals for each Diversity Constituency as contained in the most recent Affirmative Action Plan. All terms to have the meaning defined herein.

Recognizing the critical role that Black Alabamians continue to play in the Democratic Party, including the very high percentage of votes for Democratic candidate at all levels, the Youth Caucus, LGBTQ+ Caucus and Disabled Persons Caucus (the latter starting 2022) shall make every reasonable effort to ensure that the At-Large candidates each caucus nominates for membership on the State Committee and the Executive Board is in the range of the Diversity Goals established for Black participation on the State Committee.

(a) The State Committee shall consist of two hundred ten (210) Popularly Elected Members from the districts hereinafter provided, together with the following additional members:

(i) National Committee persons;

(ii) the State Chair, Vice-Chairs currently numbering five (5), Secretary, and Treasurer of the State Committee (if any one or more of such officers are not otherwise members of the State Committee).

(iii) Any other member(s) of the Democratic National Committee who is a citizen of the State of Alabama.

(iv) The Democratic Governor and all Democrats from Alabama in the United States Senate and House of Representatives shall be ex officio, non-voting members of the SDEC.
The popularly elected members of the State Committee shall be elected from the one hundred five (105) districts used for the election of the State House of Representatives. One (1) man, one (1) woman, or, depending on the total vote for each individual, one (1) non-binary candidate and either one (1) male or (1) female candidate, shall be elected from each district; except, however, that if said State House districts are hereafter changed by court decree or legislative act, such change shall not be effective with respect to such State Committee districts until the expiration of the term of the member of the State Committee affected by the change, during which such change is made. Each State Committee district shall be the same number as the corresponding State House district. With regard to these two hundred and ten (210) members: all male candidates shall be listed on the primary ballot together; all female candidates shall be listed on the primary ballot together; and all gender non-binary candidates, shall be listed on the primary ballot together. The voters may vote for only two (2) individuals, and these individuals must be of different genders. If a gender non-binary candidate receives the highest vote, they will be elected to the State Committee and the second position will go to the male or female candidate who received the next highest vote. If the highest gender non-binary candidate receives fewer votes than the female but more votes than the male, then the female and gender non-binary candidates are elected to the State Committee. If the gender non-binary candidate receives fewer votes than the male candidate but more votes than the female candidate, the male candidate and the gender non-binary candidates are elected. If both a male identifying candidate and a female identifying candidate receive more votes than any gender non-binary candidate, then the male with the highest vote and the female with the highest vote are elected to the SDEC. Equal division of positions shall apply.

As soon as practicable after each Presidential election, but no later than forty five (45) days prior to the first day persons may submit paperwork to the State Party to declare candidacy for a District-Elected position to the SDEC (i.e., the opening of qualifying), the State Chair, relying upon Expert Advice, and in consultation with the Chair(s) of the Affirmative Action Committee and the DNC, shall update and publish the Diversity Goals for the SDEC and for each Diversity Constituency.

Following the certification of District-Elected Members to the SDEC, the State Chair, relying upon Expert Advice, and in consultation with the Chair(s) of the Affirmative Action Committee and the DNC, shall compare the target Diversity Goals with the actual composition of the newly elected SDEC prior to the Organizational Meeting.

For any Diversity Constituency, if the target Diversity Goal is not met by the number of Popularly Elected Members from such Diversity Constituency, then the State Chair shall (after consultation with the Chairs of the Affirmative Action Committee) determine the minimum number of At-Large members to be added to the State Committee to reach such Diversity Goal for each constituency.

The State Chair shall make available as part of the Affirmative Action Plan, the methodology and Expert Advice utilized in computing the target Diversity Goals. If any member of the State Committee disagrees with the target Diversity Goals, then he, she or they may request a review of the decision by the Executive Board.

In each case (for each Diversity Constituency) where the number of members of a specific Diversity Constituency among the Popularly Elected Members of the SDEC prior to the
Organizational Meeting is less than the target Diversity Goals, the relevant Diversity Caucus (composed only of the Popularly Elected Members meeting the definition of or identifying with such Diversity Group) shall nominate a number of candidates for At-Large positions on the State Committee not less than the difference between the number of such Diversity Group who are District Elected members of the SDEC and the target goal for such group. The State Committee shall then elect (subject to provisions governing nomination and election of Diversity At-Large members) from the candidates nominated by a Diversity Caucus to fill an At-Large position allocated to such diversity constituency, the At-Large members of the SDEC. The same methodology and calculations shall be applied for the Executive Board, as well as for District, County and Municipal Committees.

Although the SDEC may elect more At-Large members from a particular group than the target Diversity goal identified in the AA plan for such group, each Diversity Caucus should strive to keep the number of its nominees within a very close range of the target Diversity goal for the group so as to not create an imbalance in the representation of the various constituencies making up the State Committee and Executive Board.

After those At-Large members are nominated and elected (as provided under these Bylaws) by the State Committee, each Diversity Caucus of the State Committee shall be composed of the Diversity Constituency members elected from the legislative districts, the Caucus’s At-Large members and those among the officers of the State Committee meeting the definition of or self-identifying with such Diversity Constituency.

(c) The term for all Popularly Elected Members of the State Committee shall be four years. Said term shall begin upon the certification of each member as provided by law and shall continue until their successors are elected and certified. The term of office for At-Large Members shall commence upon their election to the State Committee and continue until the next statewide election for State Committee Members. The term of office of the members of the National Committee shall be as provided by Article IV hereof. Members of the State Democratic Executive Committee who miss more than three consecutive meetings of the SDEC have failed to meet the minimum level of attendance and shall be deemed to have resigned from the SDEC, unless they show proof of a serious illness.

(d) Each of the popularly elected members of the State Committee must be a qualified elector and have and retain citizenship, residence and right to vote in the geographical unit from which he or she is chosen and serves. Should one lose such citizenship or residence or the right to vote by permanently moving from said geographical unit or otherwise, the same shall constitute a vacancy in such membership. Vacancy in membership for any reason shall be filled for the unexpired term by the State Committee at the next meeting following the occurrence of such vacancy. A vacancy in any At-Large position shall be filled by a majority vote of the SDEC from a list of qualified candidates nominated by the Diversity Caucus that the person causing the vacancy was a member of; the nominees for a vacancy put forth by a Diversity Caucus must be the same gender (including gender non-binary) as the person vacating the At-Large position. The filling of a vacancy in a popularly elected position may not reduce the representation of a Diversity group on the SDEC and the Executive Board or the equal division of positions on the SDEC or Executive Board.
(e) Subject to the provisions pertaining to non-binary members, equal division of positions between men and women will apply in all cases where possible and shall always apply to the State Committee and Executive Board.

(f) Any person wishing to qualify to run for the SDEC in the Democratic Primary, be considered for nomination by one or more Diversity Caucus(es) for an At-Large position, serve as an officer on the SDEC, or fill a vacancy in a District level position must file with the SDEC at a time established and publicized a Declaration of Candidacy as defined herein.

Section 2. Diversity Caucuses

(a) In addition to the existing Minority Caucus, there shall be a Youth Caucus, a Hispanic Caucus, a LGBTQ+ Caucus, an Asian/Pacific Islander Caucus, a Native American Caucus and a Disabled Persons Caucus (the latter beginning in 2022). Collectively these Caucuses shall be referred to as the Diversity Caucuses unless otherwise specified. The Executive Board and the Affirmative Action Committee may from time to time establish additional Caucuses in order to give underrepresented constituencies appropriate representation on the SDEC and/or Executive Board.

(b) The membership of a Diversity Caucus shall be those individuals from, or who in good faith self-identify as belonging to, the Diversity Constituency represented by the Caucus (hereinafter the “diversity criteria.”) Each Diversity Caucus shall be composed of the Popularly Elected Members who satisfy the diversity criteria for the Caucus and Caucus nominated At-Large members elected to the State Committee and the Executive Board. If there are no Popularly Elected Members from the Diversity Constituency represented by a Caucus and the Diversity Constituency is entitled to representation on the SDEC pursuant to Diversity Goals identified in the Affirmative Action Plan, the State Chair and the Affirmative Action Committee (with the consent of the Executive Board) shall elect at least (1) person who satisfies the diversity criteria for the Caucus to act as the interim Chair of the Caucus. The person(s) elected to act as interim Chair will act in such capacity until the SDEC elects At-Large members who satisfy the diversity criteria for the Caucus.

(c) Minority Caucus: At each organizational meeting after the Special 2019 election, the Minority Caucus shall begin its meeting to nominate the At-Large members for the positions allocated to the Minority Caucus pursuant to the Affirmative Action Plan not less than three (3) hours before the Organizational meeting of the State Committee at or near the same location of the Organizational meeting. As the first order of business, the Popularly Elected Members of the Minority Caucus shall elect a temporary chair of the meeting who shall not include any candidates for the office of Vice-Chair for Minority Affairs. The next order of business is for the Popularly Elected Members of the Minority Caucus to take up the business of nominating qualified candidates for the At-Large positions on the SDEC allocated to the Minority Caucus by the Affirmative Action Plan, followed by nominations of candidates to fill vacancies, all nominees subject to election by the State Committee. The Minority Caucus may then conduct such other business it deems appropriate. After the Minority Caucus has completed nominations, the temporary Chair of the Minority Caucus shall certify to the Chair of the State Committee those persons nominated for the At-Large positions on the State Committee and to fill vacancies, if any. After the At-Large members have been elected (as provided under subsection (m) of this section) and seated by the SDEC, the Minority Caucus may then elect a Vice Chair of Minority Affairs and a Caucus Chair. The Chair of the
Minority Caucus shall certify to the Chair of the State Committee the person elected to serve as the Vice Chair of Minority Affairs.

(d) **Youth Caucus:** At each Organizational meeting after the Special 2019 election, the Youth Caucus shall begin its meeting to nominate the At-Large members for the positions allocated to the Youth Caucus pursuant to the Affirmative Action Plan not less than three (3) hours before the Organizational meeting of the State Committee at or near the same location of the Organizational meeting. As the first order of business, the Popularly Elected Members of the Youth Caucus shall elect a temporary chair of the meeting who shall not include any candidates for the office of Vice-Chair for Youth Affairs. The next order of business is for the Popularly Elected Members of the Youth Caucus to take up the business of nominating qualified candidates for the At-Large positions on the SDEC allocated to the Youth Caucus by the Affirmative Action Plan, followed by nominations of candidates to fill vacancies, all nominees subject to election by the State Committee. The Youth Caucus may then conduct such other business it deems appropriate. After the Youth Caucus has completed nominations, the temporary Chair of the Youth Caucus shall certify to the Chair of the State Committee those persons nominated for the At-Large positions on the State Committee and to fill vacancies, if any. After the At-Large members have been elected (as provided under subsection (m) of this section) and seated by the SDEC, the Youth Caucus may then elect a Vice Chair of Youth Affairs and a Caucus Chair. The Chair of the Youth Caucus shall certify to the Chair of the State Committee the person elected to serve as the Vice Chair of Youth Affairs.

(e) **Hispanic Caucus:** At each Organizational meeting after the Special 2019 election, the Hispanic Caucus shall begin its meeting to nominate the At-Large members for the positions allocated to the Hispanic Caucus pursuant to the Affirmative Action Plan not less than three (3) hours before the Organizational meeting of the State Committee, at or near the same location of the Organizational meeting. As the first order of business, the Popularly Elected Members of the Hispanic Caucus shall elect a temporary chair of the meeting. The next order of business is for the Popularly Elected Members of the Hispanic Caucus to take up the business of nominating qualified candidates for the At-Large positions on the SDEC allocated to the Hispanic Caucus, followed by nominations of candidates to fill vacancies, all nominees subject to election by the State Committee. The Hispanic Caucus may then conduct such other business it deems appropriate. After the Hispanic Caucus has completed nominations, the temporary Chair of the Hispanic Caucus shall certify to the Chair of the State Committee those persons nominated for the At-Large positions on the State Committee and to fill vacancies, if any. Subsequent to the election (as provided under subsection (m) of this section) and seating of the At-Large Members by the SDEC, the District Level and At-Large Members of the Hispanic Caucus shall reconvene to elect a permanent Chair.

(f) **LGBTQ+ Caucus:** At each Organizational meeting after the Special 2019 election, the LGBTQ+ Caucus shall begin its meeting to nominate the At-Large members for the positions allocated to the LGBTQ+ Caucus pursuant to the Affirmative Action Plan not less than three (3) hours before the Organizational meeting of the State Committee, at or near the same location of the Organizational meeting. As the first order of business, the Popularly Elected Members of the LGBTQ+ Caucus shall elect a temporary chair of the meeting. The
next order of business is for the Popularly Elected Members of the LGBTQ+ Caucus to take up the business of nominating qualified candidates for the At-Large positions on the SDEC allocated to the LGBTQ+ Caucus, followed by nominations of candidates to fill vacancies, all nominees subject to election by the State Committee. The LGBTQ+ Caucus may then conduct such other business it deems appropriate. After the LGBTQ+ Caucus has completed nominations, the temporary Chair of the LGBTQ+ Caucus shall certify to the Chair of the State Committee those persons nominated for the At-Large positions on the State Committee and to fill vacancies, if any. Subsequent to the election (as provided under subsection (m) of this section) and seating of the At-Large Members by the SDEC, the District Level and At-Large Members of the LGBTQ+ Caucus shall reconvene to elect a permanent Chair.

(g) **Asian/Pacific Islander Caucus:** At each Organizational meeting after the Special 2019 election, the Asian/Pacific Islander Caucus shall begin its meeting to nominate the At-Large members for the positions allocated to the Asian/Pacific Islander Caucus pursuant to the Affirmative Action Plan not less than three (3) hours before the Organizational meeting of the State Committee, at or near the same location of the Organizational meeting. As the first order of business, the Popularly Elected Members of the Asian/Pacific Islander Caucus shall elect a temporary chair of the meeting. The next order of business is for the Popularly Elected Members of the Asian/Pacific Islander Caucus to take up the business of nominating qualified candidates for the At-Large positions on the SDEC allocated to the Asian/Pacific Islander Caucus, followed by nominations of candidates to fill vacancies, all nominees subject to election by the State Committee. The Asian/Pacific Islander Caucus may then conduct such other business it deems appropriate. After the Asian/Pacific Islander Caucus has completed nominations, the temporary Chair of the Asian/Pacific Islander Caucus shall certify to the Chair of the State Committee those persons nominated for the At-Large positions on the State Committee and to fill vacancies, if any. Subsequent to the election (as provided under subsection (m) of this section) and seating of the At-Large Members by the SDEC, the District Level and At-Large Members of the Asian/Pacific Islander Caucus shall reconvene to elect a permanent Chair.

(h) **Native American Caucus:** At each Organizational meeting after the Special 2019 election, the Native American Caucus shall begin its meeting to nominate the At-Large members for the positions allocated to the Native American Caucus pursuant to the Affirmative Action Plan not less than three (3) hours before the Organizational meeting of the State Committee, at or near the same location of the Organizational meeting. As the first order of business, the Popularly Elected Members of the Native American Caucus shall elect a temporary chair of the meeting. The next order of business is for the Popularly Elected Members of the Native American Caucus to take up the business of nominating qualified candidates for the At-Large positions on the SDEC allocated to the Native American Caucus, followed by nominations of candidates to fill vacancies, all nominees subject to election by the State Committee. The Native American Caucus may then conduct such other business it deems appropriate. After the Native American Caucus has completed nominations, the temporary Chair of the Native American Caucus shall certify to the Chair of the State Committee those persons nominated for the At-Large positions on the State Committee and to fill vacancies, if any. Subsequent to the election (as provided under subsection (m) of this section) and seating of the At-Large Members by the SDEC, the District Level and At-Large Members of the Native American Caucus shall reconvene to elect a permanent Chair.
Disabled Persons Caucus: At each organizational meeting beginning in 2022, the Disabled Persons Caucus (as known as the Disabilities Caucus) shall begin its meeting to nominate the At-Large members for the positions allocated to the Disabilities Caucus pursuant to the Affirmative Action Plan not less than three (3) hours before the Organizational meeting of the State Committee, at or near the same location of the Organizational meeting. As the first order of business, the Popularly Elected Members of the Disabled Persons Caucus shall elect a temporary chair of the meeting. The next order of business is for the Popularly Elected Members of the Disabled Persons Caucus to take up the business of nominating qualified candidates for the At-Large positions on the SDEC allocated to the Disabled Persons Caucus, followed by nominations of candidates to fill vacancies, all nominees subject to election by the State Committee. The Disabled Persons Caucus may then conduct such other business it deems appropriate. After the Disabled Persons Caucus has completed nominations, the temporary Chair of the Disabled Persons Caucus shall certify to the State Chair of the State Committee those persons nominated for the At-Large positions on the State Committee and to fill vacancies, in any. Subsequent to the election (as provided under subsection (m) of this section) and seating of the At-Large Members by the SDEC, the District Level and At-Large Members of the Disabled Persons Caucus shall reconvene to elect a permanent Chair.

Subject to the provisions pertaining to gender non-binary, the total At-Large nominees certified by each Caucus for an At-Large position shall be equally divided for the State Committee and, separately for the Executive Board.

The Diversity Caucus meetings shall be open to the public and reasonable notice calculated to reach all persons who considered themselves Democrats shall be provided in advance of the Caucus meeting. Reasonable notice shall consist of social media postings, postings on the Alabama Democratic Party’s website and publicity through other traditional news and media outlets, with particular emphasis on media outlets serving the communities of the various Diversity Constituencies. All persons satisfying the diversity criteria for a particular Caucus and otherwise qualified to hold a position on the State Committee may seek nomination for an At-Large position allocated to the Caucus and shall have not more than two (2) minutes speak before the Diversity Caucus prior to the opening of nominations.

Each Diversity Caucus shall have the exclusive right to nominate candidates and/or a slate of candidates for the At-Large positions on the State Committee and the Executive Board allocated under the Affirmative Action Plan to such Caucus (e.g., only the Minority Caucus may nominate candidates for the Minority Caucus At-Large positions, etc.) and to nominate candidates to fill vacancies caused by person identifying with a particular Diversity Caucus.

A nominee or slate of nominees of each Diversity Caucus shall be elected to the SDEC and the Executive Board, as the case may be, unless a motion to reject an individual nominee and/or a slate of nominees is adopted by two-thirds (2/3) of the SDEC members voting. Recognizing the importance of balance with respect to membership of each Diversity Group on the SDEC and Executive Board, the number of nominees made by a Diversity Caucus should not unreasonably exceed the target number allocated to it by the Affirmative Action Plan to meet the target goal for that Diversity constituency for the State Committee and the Executive Board, as the case may be, and if the number of nominees by a Diversity Caucus is
unreasonable, the SDEC may reject, by a majority present and voting, the number in excess of what is reasonable in alphabetical order beginning with “A”.

(n) If the AA Plan does not allocate At-Large Members to a Diversity Caucus because popularly elected members of a Diversity Constituency are sufficient to satisfy the Diversity Goals, then the Diversity Caucus should meet prior to the Organizational meeting to elect a Vice Chair (if applicable) and a Chair of the Caucus.

Section 3. District Committees

Said District Committee shall consist of the Chair of each County Committee within said Congressional District (in case a county extends into more than one (1) Congressional District, the County Chair shall serve on the District Committee of each such Congressional District Committee) together with all of the members of the State Committee who reside within such Congressional District.

Should one lose his citizenship or change voting residency by permanently moving from said district or otherwise, the same shall constitute a vacancy on the CDEC. A vacancy in membership for any reason shall be filled for the unexpired term by the CDEC at the next meeting following the occurrence of such vacancy. Vacancies will be filled to reflect representation of Diversity Constituencies.

(f) The popularly elected members of the CDEC shall be elected from the districts used for the election of the County Commission. The State Party shall designate election districts for those counties without single member districts. Each CDEC district shall be the same number as the corresponding County Commission district. With regard to these popularly elected members, there shall be an equal number of male and female candidates elected from said districts. The ballot shall state the maximum number of persons for which votes are to be cast.

(g) The At-Large members provided for herein shall be allocated to the districts on a pro rata basis, based on the districts which received at last forty percent (40%) of the Democratic vote in the last presidential general election preceding the election to which they qualify.

**Section 7. Subcommittee**
The Chair of this Committee is hereby authorized, empowered, and directed to appoint a subcommittee of five, consisting of the Chair of this committee, who will be the Chair of the subcommittee, and four members of this committee to supervise the holding of the Primary Elections herein ordered, including the canvassing of the declaration of result and the certification of those nominated, and/or elected, and such subcommittee shall have final authority in respect to contests. The said subcommittee shall perform all the duties required by law of this committee in said Primary Elections, except the duties reposed by law or the rules of this Party on the Chair.

Section 8. Conflicting Action Prohibited

No County Democratic Executive Committee of any county of the state shall pass any resolution in the premises in conflict herewith. (Added by Amendment February 2, 1974).

Section 9. Challenges

(a) Challenge of Candidacy. A qualified elector may wish to challenge the qualifications of a candidate for a Democratic nomination prior to the primary election. A qualified elector wishing to challenge the candidacy of an individual on the basis of the reasons set forth in the Article VII Section 1. (b) of the Amended and Restated Bylaws of the Alabama Democratic Party shall file a challenge with the State Chair of the Democratic Executive Committee of Alabama within five (5) days after the date the challenged candidate has qualified. A challenge hearing shall commence no less than five (5) days and no longer than ten (10) days after the challenge has been received by the State Chair.

(b) Challenges Concerning Offices Triable by the State Committee.

1. The State Chair, or a person acting under his, her or they direction for such purpose, shall endorse on the statement of challenge the date it is filled with the State Committee’s office. Filing a statement of challenge shall be deemed complete when personally delivered to the State Chair or left with a responsible adult person in his employ at the office of the State Committee. The elector filing the contest for service or delivery of at least one copy each on the challenged candidate and every other party affected by or having any interest in the contest whose names and mailing addresses shall be set out in the statement of challenge. The elector filing the challenge shall set out in the statement of challenge his, her or they place of residence, his, her or they address for the receipt of mail, and the county, precinct, beat or box, where he, she or they is registered to vote.

2. Promptly after the receipt of the statement of challenge, the State Chair, or a person acting under his, her or they direction, shall mail a copy thereof by ordinary mail, postage prepaid, to the challenged candidate and to each other party affected by or having an interest in the challenge. In the absence of convincing evidence to the contrary, it shall be presumed that the challenged candidate and each
such other person so addressed received the copy of the statement of the challenge mailed to him, her, or they on the third day after it was mailed.

3. In absence of written notification to the State Chair to the contrary, the address appearing on the written declaration of qualification filed by the candidate shall be his address for all purposes of mailing and communication related to any challenge in which such candidate is involved.

4. The State Chair is authorized, empowered and directed to appoint, from time to time, a subcommittee or subcommittees from the membership of the State Committee, to hear, consider, and decide any challenge or challenge appeal in any primary election. Each such subcommittee so appointed shall have and is hereby given all the right, power and authority to do or perform any act or thing in which the State Committee could do or perform in the premises; and the chair of each such subcommittee shall have and is authorized to perform any act, and exercise any power or authority which the State Chair has or could exercise in the premises.

5. The State Chair is empowered to make any order other than a final order of decision in any challenge where limitations of time make it impractical for challenge subcommittee appointed or to be appointed to do so; provided, however, that any such order made by the State Chair shall not foreclose the reconsiderations of the subject matter of the order by the challenge subcommittee.

6. The elector filing a statement of challenge shall post with the State Chair, within such time that the State Chair shall designate, such reasonable security for the cost for the challenge as the State Chair may require. The State Chair shall have no duty to perform any act in connection with such challenge, other than mailing a copy of the statement of challenge to the challenged candidate, and other interested parties, until such security for cost has actually been received by him. Additional security for cost may be required by the State Chair in the course of the challenge with the approval of the majority of the subcommittee appointed to hear the challenge, if it shall appear that the costs originally posted with the State Chair is inadequate. In fixing the amount of security for costs, it shall be proper to consider and include expenses reasonably expected to accrue for the travel and subsistence expense of the subcommittee members, reasonable fees for other persons engaged, reasonable fees or legal counsel to serve and advise the subcommittee hearings and considering the challenge, and any and all other items of cost which, from the nature of the challenge appearing in the statement of challenge and in response thereto, appear likely to occur and reasonable in scope and amount. The failure of the challenging elector to post all required security for costs within such time as the State Chair designates shall be sufficient grounds for the dismissal of the challenge by the subcommittee or by the State Chair if no subcommittee shall have been appointed.

7. A copy of the challenge subcommittee’s final decision on the challenge shall be mailed by the chair of the challenge subcommittee, or by a person acting at his, her or they direction, to each party to the challenge or his attorney and to the State Chair.
8. The decision of any challenge by a majority of the members of the challenge subcommittee shall be final, and no appeal shall lie to the State Committee as a whole unless the decision was not supported by any substantial evidence or was void as a matter of law. Any such appeal must be filed with the State Chair within five (5) days after the subcommittee’s decision is rendered, and shall state with particularity the facts and circumstances on which the appeal is based. No appeal shall be considered on the ground that the decision of the subcommittee is not supported by any substantial evidence unless a transcript of all the evidence proceedings before the challenge subcommittee, provided at the expense of the party taking the appeal, shall be filed with the State Chair within ten (10) days after the appeal is filed; provided that the State Chair, or the Chair of any subcommittee appointed by him to hear the appeal, may extend the time for filing such transcript. The party taking the appeal shall make copies of his appeal to all other parties to the challenge or their attorneys, and shall certify on his appeal filed with the State Chair that he has done so. Responses to the appeal shall be filed with the State Chair within five (5) days after the date shown on the certificate of mail service appearing on the appeal. Thereafter, the State Chair may appoint a subcommittee to consider the appeal and to recommend appropriate action in the premises to the State Committee as a whole. No member of the challenge subcommittee may serve on any committee appointed by the State Chair to consider an appeal from the decision of such challenge subcommittee.

(c) Challenges Concerning Offices Triable by County Executive Committee. County Executive Committees may adopt rules governing the conduct of challenges triable by them, respectively; provided all such rules shall conform to the requirements of the statutes governing such cases. In the absence of any rules adopted by a county executive committee, the rules governing the conduct of challenges triable by the State Committee shall be applicable, so far as they are adaptable, to challenge triable by such county executive committee.

These rules shall be interpreted and applied when in doubt, so as to permit substance to prevail over form; to avoid technicalities of pleading and procedure; and to expedite the decision of challenges in as economical a matter as may be consistent with full consideration of the challenge. (Amended August 27, 2005)

ARTICLE VIII
CONTESTS

Section 1. Alabama Statutes Applicable

Contests of primary election results and certification are the subject matter of statutes appearing in Code of Ala. 1975, Sec. 17-13-70, et seq. The provisions of this Article are prescribed pursuant to the authority of Code of Ala. 1975, Sec. 17-13-88, and are intended to
supplement and complement said statutory provisions. No conflict between this Article and said statutory provisions is intended or perceived, but should conflict exist either now or by virtue of any amendment of or addition to said statutes, the statutes shall prevail.

Section 2. Contests Concerning Offices Triable by the State Committee

(a) The State Chair, person acting under his, her or they direction for such purpose, shall endorse on the statement of contest the date it is filled with him or in his office. Filing of a statement of contest shall be deemed complete when personally delivered to the State Chair or left with a responsible adult person in his, her or they employ at the office of the State Committee. The elector filing the contest for service or delivery of at least one copy each on the contested and every other party affected by or having any interest in the contest whose names and mailing addresses shall be set out in the statement of contest. The elector filing the contest shall set out in the statement of contest his, her or they place of residence, his, her or they address for the receipt of mail, and the county, precinct, beat or box where he/she/they is registered to vote and did vote in the contested primary election.

(b) Promptly after the receipt of the statement of contest, the State Chair, or a person acting under his, her or they direction, shall mail a copy thereof by ordinary mail, postage prepaid, to the contestee and to each other party affected by or having an interest in the contest. In the absence of convincing evidence to the contrary, it shall be presumed that the contestee and each such other person so addressed received the copy of the statement of contest mailed to him, on the third day after it was mailed.

(c) In the absence of written notification to the State Chair to the contrary, the address appearing on the written declaration of qualification filed by each candidate shall be his address for all purposes of mailing and communication relating to any contest in which such candidate is involved.

(d) The State Chair is authorized, empowered and directed to appoint, from time to time, a subcommittee or subcommittees from the membership of the State Committee, to hear, consider, and decide any contest or contest appeal or any election or of the nomination of any candidate in any primary election. Each such subcommittee so appointed shall have and is hereby given all the right, power and authority to do or perform any act or thing which the State Committee could do or perform in the premises; and the Chair of each such subcommittee shall have and is authorized to perform any act, and exercise any power or authority which the State Chair has or could exercise in the premises.

(e) The State Chair is empowered to make any order other than a final order of decision in any contest where limitations of time make it impracticable for contest subcommittee appointed or to be appointed to do so; provided, however, that any such order made by the State Chair shall not foreclose the reconsideration of the subject matter of the order by the contest subcommittee.

(f) The elector filing a statement of contest shall post with the State Chair, within such time that the State Chair shall designate, such reasonable security for the costs for the contest as the State Chair may require. The State Chair shall have no duty to perform any act in connection with such contest, other than the mailing of a copy of the statement of contest to
the contestee and other interested parties, until such security for costs has actually been received by him. Additional security for costs may be required by the State Chair in the course of the contest with the approval of the majority of the subcommittee appointed to hear the contest, if it shall appear that the costs originally posted with the State Chair is inadequate. In fixing the amount of security for costs, it shall be proper to consider and include expenses reasonably expected to accrue for the travel and subsistence expense of subcommittee members, reasonable fees for accountants and other persons engaged to make any recount or tabulation, reasonable fees or legal counsel to serve and advise the subcommittee hearings and considering the contest, and any and all other items of cost which, from the nature of the contest appearing in the statement of contest and in the responses thereto, appear likely to occur and reasonable in scope and amount. The failure of the contesting elector to post all required security for costs within such time as the State Chair designates shall be sufficient grounds for the dismissal of the contest by the subcommittee or by the State Chair if no subcommittee shall have then been appointed.

(g) A copy of the contest subcommittee's final decision on the contest shall be mailed by the Chair of the contest subcommittee, or by a person acting at his direction, to each party to the contest or his attorney, to the Secretary of State of the State of Alabama, to the State Chair, and to the Circuit clerk of the Judicial Circuit in which the statement required by Code of Ala. 1975, Sec. 17-13-84, was or should have been filed.

(h) The decision of any contest by a majority of the members of the contest subcommittee shall be final, and no appeal shall lie to the State Committee as a whole unless the decision was not supported by any substantial evidence or was void as a matter of law. Any such appeal must be filed with the State Chair within ten (10) days after the subcommittee’s decision is rendered, and shall state with particularity the facts and circumstances on which the appeal is based. No appeal shall be considered on the ground that the decision of the subcommittee is not supported by any substantial evidence unless a transcript of all the evidence proceedings before the contest subcommittee, provided at the expense of the party taking the appeal, shall be filed with the State Chair within twenty (20) days after the appeal is filed; provided that the State Chair, or the Chair of any subcommittee appointed by him to consider the appeal, may extend the time for filing such transcript. The party taking the appeal shall make copies of his appeal to all other parties to the contest or their attorneys, and shall certify on his appeal filed with the State Chair that he has done so. Responses to the appeal shall be filed with the State Chair within ten (10) days after the date shown on the certificate of mail service appearing on the appeal. Thereafter, the State Chair may appoint a subcommittee to consider the appeal and to recommend appropriate action in the premises to the State Committee as a whole. No member of the contest subcommittee may serve on any committee appointed by the State Chair to consider an appeal from the decision of such contest subcommittee.

Section 3. Contests Concerning Offices Triable by County Executive Committees

County Executive Committees may adopt rules governing the conduct of contests triable by them, respectively, provided that all such rules shall conform to the requirements of the statues governing such cases. In the absence of any rules adopted by a county executive
committee, the rules governing the conduct of contests triable by the State Committee shall be applicable, so far as they are adaptable, to contests triable by such county executive committee.

**Section 4. Implementation of Rules**

These rules shall be interpreted and applied when in doubt, so as to permit substance to prevail over form; to avoid technicalities of pleading and procedure; and to expedite the decision of contests in as economical a manner as may be consistent with full consideration of the matter contested. (Added by Amendment July 24, 1970).

**Article IX. Disqualification And Withdrawal Of Nomination**

Should any verified declaration of candidacy as required by Article VII of these Rules, as amended, appear to have been made in error or other than in good faith, or if the conduct of any candidate, either before or subsequent to the Primary, shall be incompatible with such declaration, then the Chair of the State Committee is authorized and directed to order that said candidate show cause before the subcommittee provided for by Article VII, Section VII of these Rules, as amended, why said candidate should not be disqualified or his nomination or election withdrawn as the case may be; and if after a hearing thereon following reasonable notice to interested parties, said subcommittee shall be reasonably satisfied and shall find that such declaration was in error or was not made in good faith or that the conduct of such candidate has been incompatible with such declaration, then and in that event said subcommittee shall be empowered to disqualify such candidate or withdraw his nomination or election as the case may be.

Should a nominee be found, after his nomination and before the general election, to be disqualified to hold the office for which he/she/they has been nominated, the State Committee shall declare the nomination void and withdrawn and shall proceed to fill the vacancy as provided for in these rules. The nominee against whom such action is proposed shall be afforded notice and of the grounds in support thereof in such manner and form as the State Chair shall direct, and he shall be afforded an opportunity to show cause before the State Committee as a whole or before a committee of its public, why his nomination should not be voided and withdrawn. The provisions of this resolution and amendment to the Rules are severable. If any part, subpart, sentence, or word hereof be declared or held unconstitutional or invalid by any court or other agency having authority to make such declaration or holding, the same shall not affect the validity of the remaining portions hereof. (Amended February 2, 1974).
Article X.

Bond or Fees for Contests and Challenges

Whether it is a contested, challenged or otherwise, bond, fees or other payments shall be the same as a qualifying fee for the office being challenged, contested, or otherwise. (Amended June 1, 2013)

Proposed Affirmative Action Plan and Outreach Program for the Alabama Democratic Party

A) Statement of Purpose and Organization

1) Purpose and Objectives

a) To ensure that the Democratic Party of Alabama (“SDEC,” or “ADP,” or “State Committee” or “Democratic Party,” or “Party”) at all levels is an open Party which includes rather than excludes people from participation, this Affirmative Action Plan and Outreach and Inclusion Program (“AA Plan”) has been adopted by the SDEC and is included in the SDEC Bylaws.

b) The SDEC is committed to help achieve full participation of those groups of Americans historically who have been explicitly denied the right to vote or who have been subjected to discriminatory and exclusionary practices that have denied them voting rights and full participation in Party meetings, events and elections, along with other groups of Americans who are also underrepresented in Party affairs.

Toward these ends, the SDEC has established a broadly representative Affirmative Action Committee to assist both the SDEC and Democratic Party committees and bodies at all levels in the State of Alabama. In developing and fully implementing this Plan, the SDEC and the Affirmative Action Committee will work to ensure that all persons who wish to participate as Democrats understand they are welcome and encouraged to be involved in and participate in the Party at all levels.

c) All public meetings at all levels of the Democratic Party are to be open to all members of the Democratic Party and all who wish to participate in Democratic Party affairs regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity and expression, economic status or disability (hereinafter collectively referred to as “status”).

d) Discrimination on the basis of “status” in the conduct of the affairs of the Democratic Party of Alabama at all levels is prohibited. In addition, the SDEC and the Democratic Party at all levels will make accommodations to facilitate greater participation by people with disabilities and by veterans.

e) Participation in Democratic Party affairs at all levels shall be open to all voters who wish to participate as Democrats.

f) The SDEC shall take all feasible steps to encourage non-affiliated voters and new voters to register or enroll, to provide simple procedures through which they may do so and to eliminate excessively long waiting periods for voters wish to register or to update their registration.
g) To encourage full participation by groups historically under-represented in the Democratic Party’s affairs, by virtue of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity and expression, or disability, in all Party affairs, the SDEC has adopted and will implement programs with specific goals and timetables for African Americans, Hispanics, Native Americans, Asian Americans and Pacific Islanders, women and youth, for other underrepresented groups, including the LGBTQ+ community and persons with disabilities, and veterans.

(1) The goal of the programs shall be to encourage participation in all Party affairs and in Party organizations at all levels by the aforementioned groups as well as all persons who wish to participate as Democrats.

(2) The rules, procedures and processes of the Party are often difficult to understand particularly for newcomers and the uninitiated. The SDEC is committed to complete transparency, and part of the AA Plan is to ensure dissemination of information explaining in understandable terms, the rules, processes and procedures of the Party, and how to obtain additional information. The Affirmative Action Committee shall provide education programs directly to voters who continue to experience confusing timelines for registration, changing party affiliation deadlines, or lack of awareness of the process for running for public or Party offices, so as to ensure that all Democratic voters understand the rules and timelines and their impact on voter participation.

(3) “Youth” is defined within the Bylaws of the SDEC, as amended.

(4) Individuals identifying as Native Americans should provide their tribal affiliation and indicate if they are enrolled in a tribe.

(5) These goals shall not be accomplished either directly or indirectly by the Party’s imposition of mandatory quotas at any level of any Party affairs.

(6) As an early task after its formation, the Affirmative Action Committee shall assess the current breadth and needs of the disabilities community(ies) and specifically recommend a course of action and affiliated group contacts to best accomplish the meaningful participation of this important and diverse constituencies to all levels of the Democratic Party.

2) Organizational Structure

a) The organizational structure of the Affirmative Action Committee is described in Article III, Section 7 of the ADP Bylaws, as amended.

b) The SDEC Chair shall certify in writing to the Rules and Bylaws Committee of the Democratic National Committee (“DNC”) the establishment of the AA Committee, and submit the names, demographic data and contact information of the members no later than 10 days after their appointment.
c) Financial and staff support for the Affirmative Action Committee shall be provided by the SDEC to the greatest extent feasible, including, but not limited to, making available on a priority basis, the SDEC staff and volunteers, and covering all reasonable costs incurred in carrying out the AA Plan.

d) The Affirmative Action Committee shall keep contemporaneous records of the implementation of the specific programs and actions undertaken during the course of each year, which shall include the specific nature of each activity/action, the targeted group(s), and the inclusive dates thereof, which shall be posted and updated on a regular basis on the SDEC’s website and on the websites of local Democratic Party committees and bodies at all levels. The Affirmative Action Committee also shall cause to be made a permanent, continuously updated paper record of such information to be accessible to members of the SDEC.

B) Representation Goals

1. In cooperation with the DNC, the SDEC has determined the demographic composition of African Americans, Hispanics, Native Americans, Asian/Pacifics, Youth, LGBTQ+ individuals, and individuals with disabilities and veterans in Alabama’s Democratic electorate or in Alabama's population, whichever is higher.

2. The method used for determining the demographic composition of Alabama's Democratic electorate and of Alabama's population will be attached in Exhibit A attached hereto, as is the results of the analysis, showing the constituency percentages and the numeric goals for each constituency for the SDEC and its Executive Board.

C) Outreach and Inclusion Program

1. The Affirmative Action Committee shall develop, design, and implement communication programs and outreach programs to carry out and fulfill the purposes and achieve the goals of this AA Plan. Such programs, which may be amended from time to time as changing conditions warrant, shall be detailed in written form, shall be included as an appendix to this AA Plan, and shall be displayed on the SDEC’s website and appropriate social media.

2. Article VI, Section 8 of the SDEC Bylaws, as amended, includes special procedures that apply to the Special 2019 Meeting for the purpose nominating and electing Diversity Caucus Members and holding elections for certain offices.

3. For meetings after the Special 2019 Meeting and subsequent to its formation, the Affirmative Action Committee shall conduct public inclusion outreach actions and programs as prescribed in this AA Plan on a regular, ongoing basis throughout the year. Before each meeting of any Democratic Party committee, caucus or body, the Affirmative
Action Committee shall cause AA outreach and inclusion actions to Democrats and constituency groups of the jurisdiction of the Democratic Party committee, caucus or body convening the meeting. Notice and outreach shall include the time, date and location of the meeting, the purpose and nature of the meeting and encourage Democrats and members of consistency groups to attend and participate in the meeting. Such outreach and inclusion actions should begin as early as practicable, but no later than the timeframes detailed within the Bylaws for such meetings.

D) Efforts to Publicize

1. The Affirmative Action Committee (working with SDEC Officers, Members, and Staff) shall direct special attention to publicizing Democratic Party meetings and events at all levels, convened (i) to nominate candidates for public office, (ii) to nominate or elect members of the SDEC, its Executive Board and Minority Caucus, and for any other Democratic Committee or body at all levels. Such publicity shall include information on eligibility to vote and how to become a candidate, and where to get additional information. The foregoing information shall also be published in the SDEC’s communications – including its website and any social media. Where appropriate and available, this shall also include the websites (and / or social media channels) of County Democratic committees. The Party organization, official, candidate, or member calling a meeting or scheduling an event, also shall effectively publicize the role that such meeting or event.

2. The Affirmative Action Committee shall develop a model media plan for using all available and appropriate resources, such as press releases, newsletters, social media, websites, newspapers, radio and television, and by way of communications by Party leaders, to Democrats, activists and leaders of targeted constituencies, to ensure broad and timely coverage and awareness on the part of all interested persons and to inform the general public how, when, and where to participate in specific Party convened meetings.
